8:30am – 10:15am	<i>“Let the written word give them away: Statement Analysis”</i>	Mark McClish, Former Federal Law Enforcement & U.S. Secret Service Sponsored by: 	Keynote: Statement Analysis is arguably the most accurate way of determining if a person is lying in a verbal or written statement. A person cannot give a lengthy deceptive statement without revealing that it is a lie. This is because people's words will betray them. People will always word their statement based on all their knowledge. The key is to listen to what people are telling you and to know what to look for in a statement.
